

## Rabbit antibody to c Fos

Code OSC00183G

**ID Tag** Rb2500-140415-WS

Unit size 500 Ã,µg

Immunogen A synthetic peptide from human cFos protein conjugated to blue carrier protein has been used as

the antigen. The peptide is homologous in many other species including rat, mouse, hamster and

cat.

Purity Whole serum

Conjugate Unconjugated antibody

Also known Proto-oncogene protein cFOS, c-Fos

**Host** NZ white rabbit **Purity** Whole serum

Clonality Polyclonal antibody

Isotype Polyclonal, whole serum

Applications IHC, WB. Use at a concentration of 2-5 µg/ml. The optimal concentration should be determined by

the end user. Not yet tested in other applications. For WB tissue lysates prepared in the G1 lysing buffer is recommended (G1 lysing buffer is Ripa buffer containing 1% Triton-X100; 1% SDS and

1% SDC).

**Specificity** Specific for cFOS.

**Spcs X-react.** Rat, mouse, marmoset, human. Other species not yet tested.

Format Lyophilised

Reconstitution Reconstitute in 500 µl of sterile water. Centrifuge to remove any insoluble material.

Storage Maintain the lyophilised/reconstituted antibodies frozen at -20°C for long term storage and

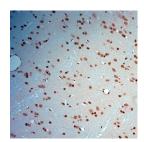

refrigerated at 2-8°C for a shorter term. When reconstituting, glycerol (1:1) may be added for an

additional stability. Avoid freeze and thaw cycles.

**Expiry Date** 12 months after purchase

**Shipping** This item will be shipped to you at ambient temperature in a lyophilised form.

**Limitation** For research use only

IHC-P on paraffin sections of rat brain.

The animal was perfused using Autoperfuser at a pressure of 130 mmHg with 300 ml 4% FA being processed for paraffin embedding. HIER: Tris-EDTA, pH 9

for 20 min using Thermo PT Module. Blocking: 0.2% LFDM in TBST filtered thru 0.2  $\mu m$ .

Detection was done using Novolink HRP polymer from Leica following manufacturers

instructions; DAB chromogen: Candela DAB chromogen from Osenses. Primary antibody: dilution 10 ug/ml, incubated 30 min at RT using Autostainer.

Sections were counterstained with Harris Hematoxylin.
